

## SOLICITORS SPECIALISING IN SHARED OWNERSHIP

Shared Ownership is considered to be a specialised area of the law and we'd recommend you use a solicitor that is familiar in dealing with these purchases.

Using a solicitor that is experienced in areas such as reselling and staircasing will really help to keep things moving along. Below is a list of our handpicked solicitors to get you started.

Please note, not all solicitors are able to act for all mortgage lenders, so when choosing a solicitor, please make sure they are able to act on behalf of your chosen mortgage lender.
