

SOLICITORS SPECIALISING IN SHARED OWNERSHIP

Shared Ownership is considered to be a specialised area of the law and we'd recommend you use a solicitor that is familiar in dealing with these purchases.

Using a solicitor that is experienced in areas such as reselling and staircasing will really help to keep things moving along. Below is a list of our handpicked solicitors to get you started.

Please note, not all solicitors are able to act for all mortgage lenders, so when choosing a solicitor, please make sure they are able to act on behalf of your chosen mortgage lender.

We routinely provide all potential purchasers with this list of solicitors who are known to have specialist knowledge in Shared Ownership and new build property conveyancing. It is your decision whether you choose to deal with any of the solicitors on this list or not. In making that decision, you should know that: we are not providing any warranty as to their legal services, we do not receive any financial benefits or gratuities from the solicitors, and the solicitor details are only being provided for your guidance, based on the solicitors reputation for being experienced with newly built Shared Ownership properties.
